

OBSERVATION MEDICINE **Science and Solutions Conference**

NASHVILLE, TENNESSEE

September 10-11, 2015

DoubleTree by Hilton Hotel Nashville Downtown

Approved for a maximum of 14 ACEP Category I Credits

**MICHIGAN COLLEGE OF
EMERGENCY PHYSICIANS**

Endorsed by:

SOCIETY OF CARDIOVASCULAR PATIENT CARE

Observation Medicine 2015 – Science & Solutions

Do you want to learn how to help save your hospital up to \$4.6 million each year and learn more about a growing value-based service? Then the **Observation Medicine 2015: Science and Solutions** conference on **September 10 and 11, 2015** is for you! During this two-day conference you will learn directly from and have opportunity to network with the leaders and authors of Observation Medicine. They will show you:

- How to convince your hospital of the need for a protocol-driven observation unit
- How to start and successfully manage an observation unit
- Which protocols are successfully used in an observation unit
- How to capture and maximize reimbursement for observation services
- How observation units factor into the CMS two-midnight rule and 30-day readmissions
- The science behind Observation Medicine
- How to integrate observation medical education into an observation unit

The target audience for this two-day conference is Healthcare Executives, Hospital Administrators, Medical and Nursing Directors, Physicians, Midlevel Providers, Nurses, Case Managers and anyone else interested in learning more about Observation Medicine.

This conference is sponsored by the Michigan College of Emergency Physicians and endorsed by the Society of Cardiovascular Patient Care.
